

14 November 2017

Dear Parent/Carer,

Children in Need 24 Hour Cycle Challenge

On Thursday 23rd November 2017, North Birmingham Academy has challenged the PE department to raise money for Children In Need, with a 24 hour cycle ride challenge. Ten members of the NBA staff have taken on the 24 hour challenge to cycle 1000 miles non-stop, day and night within the Academy.

Our aim is to raise as much money as we can to support this fantastic charity which does some excellent work supporting the lives of young people and their families. If you would like to support and follow the challenge live please visit the link below:

<https://www.justgiving.com/fundraising/nba24hourchallenge>

Thank you for your continued support and we look forward to revealing how much we managed to raise for this worthwhile cause.

Yours faithfully

Adam Duckers
