Dear Parent/Carer

I am delighted to provide students in Key Stage 3 with the opportunity to attend an assembly delivered by PC Rob Pendley from West Midlands Police.

The inspiring assembly will look at the consequences and actions of making the right choices, highlighting the tragedies that occur when people get caught up in weapons, gangs and crime. PC Rob Pendley will be accompanied by Alison Cope, who sadly lost her son, Joshua Ribera due to this type of crime and whom many people will know and remember him as Depzman. Alison shares her story of loss.

Some part of the presentation may be quite emotional; therefore if students need to have support the Access to Learning team will be made available

The assemblies will be delivered in year groups on the following days:

Y7 - Monday 25 September

Y8 - Tuesday 26 September

Any queries or concerns do not hesitate to contact Miss A Thomas on 0121 3731647 or alternatively email [Ashley.Thomas@E-ACT.org.uk](mailto:Ashley.Thomas@E-ACT.org.uk)

Yours Sincerely

*A Thomas*
