

12 September 2017

Dear Parent/Carer

I am writing to you as your child has shown an interest in the NBA STEAM Club. STEAM is the acronym for the following fields of study: Science, Technology, Engineering, Art and Mathematics.

The STEAM club will aim to:

- Enter competitions, events and workshops.
- Educate students in the possible careers in STEAM areas.

STEAM club will meet every Monday after school for 1 hour between 3.15pm and 4.15pm. The first meeting of the club will be on Monday 18 September and will run on every Monday of the academic year (unless specified).

Places in the Club are limited to 20 pupils and will be given on a merit and socio-economic basis. If you wish your child to attend the club please complete and return the permission slip below before Wednesday 13 September 2017.

Due to ongoing competitions, commitments and places being limited, STEAM Club will require regular attendance. If attendance drops below 80% the members place will be at risk.

Yours sincerely

D Buxton
