

# Application for Consideration of funds from the North Birmingham Academy Sixth Form 16-19 Bursary Fund

**Applicants are reminded that this form is for consideration only and does not guarantee entitlement.**

We need to establish the number of students who have applied for financial support, and then match with our funding. Inevitably some students will not qualify or will not receive the level of funding we would like to provide because of financial constraints on the Academy. Funds will be allocated in line with the North Birmingham Academy 16-19 Bursary Policy. Please complete this form by 15 September if you wish to be considered. Students are reminded that their application will be treated in the upmost confidence and we would encourage students to maintain this confidentiality with other members of the academy community.

Your application will be considered in accordance with the North Birmingham Academy 16-19 Bursary Fund Policy. This policy can be found on the Academy website.
