

16 September 2022

Dear Parents/Carers

We would like to invite you to a really critical information evening for year 11. The year 11 Aspiration evening will be on **Thursday 29 September** and there will be two slots:

During the evening you will have the chance to meet some of your child's teachers, our Head of year 11, Heads of Faculty as well as members of the Senior Leadership Team.

We will start the key presentations by **5.00 pm or 6.00 pm** where we will share the following with you:

- Revision guides you can use with your child/children
- Specific strategies you can use at home to support your child
- An overview of key dates you will need for your diary
- Mini talks from the Heads of Maths, English and Science

It is essential that you do all you can to attend in order to best support your child over the coming short few months as we prepare for year 11 exams starting in May 2023. We appreciate that not all parents can attend so I would encourage you to send a trusted adult representative along with your child who can relay the information to you if you really cannot attend.

Due to space we would ask that there are no more than two parents and one student

Please contact us for further details if required and we look forward to meeting you on Thursday 29 September at 5.00 or 6.00 pm. I would suggest you arrive 10-15 minutes prior to ensure you get a seat and some refreshments and we look forward to meeting you.

Best wishes

Michelle Scott
Headteacher
