Dear Parents, Carers and Students,

I wanted to write to firstly thank you for your support and partnership this past year as we have worked hard together to build on our successes and help NBA to flourish.

Our staff and students have worked incredibly hard this year in order to lay the cornerstones of NBA's rise to excellence in all things from uniform to attendance, behaviour to learning, leading to the development of our vibrant and inclusive culture. Our continued partnership as staff, students and parents is key to making NBA the outstanding education provider of choice in the area.

As you will know from the letter by our Education Director Simon Cox, I am due to move to my new role as Regional Executive Headteacher in September, this represents an exciting opportunity for me professionally because, within my new role, I will still very much be involved in NBAs onward journey. I will be supporting, challenging and leading across two Academies within E-Act, with NBA being a core responsibility, in order to reach our goals.

I will work with our new Headteacher Mrs Paddock and the entire NBA team to ensure that our collective vision and aims are met so that our students can enjoy the very best education possible. I know, in Mrs Paddock, we are very fortunate to have an extremely passionate, experienced and successful educator and leader who will take NBA to the next level with our fantastic community on board. I will be walking on that journey with you all, every step of the way. I am sure you will all wish Mrs Paddock the very best of luck in her new role as Headteacher for NBA.

We look forward to welcoming our students back in September, please see timings below.
