1. Introduction and Purpose

- 1.1. The E-ACT lettings policy aims to facilitate fair use of E-ACT facilities by local communities. E-ACT is committed to generating additional income from the hire of our facilities which provides additional income to our educational funding and helps maintain the standard of our facilities.
- 1.2. As part of our community involvement, promoting community use of our facilities is important to us. We will promote a balanced range of activities across the Trust and give preference to those in which our pupils can play an active part.
- 1.3. Where applicable, any E-ACT academies which offer extended stay to pupils will give preference to our pupils and our facilities will not be used in any way that is detrimental to them. We reserve the right to cancel any booking without notice should we have cause for concern.
- 1.4. E-ACT is committed to supporting the Government's Prevent Strategy. In upholding our Child Protection and Safeguarding Policy we identify risk and work with local partners to prevent radicalisation and extremism.
- 1.5. We will not hire or let any E-ACT premises to any party, individual or group that we feel would be in conflict with our duty under the Prevent Strategy², or who may disseminate radical views to pupils and/or staff. We reserve the right to carry out checks on organisations who apply to us under this policy to ensure compliance with our policy and statutory legislation.

2. Scope

- 2.1. This Policy applies to all staff

3. Equality

- 3.1. In accordance with the Equality Act 2010, the specific legal obligations, and duties in relation to discrimination and social inclusion, we seek to:
 - eliminate discrimination, harassment, victimisation, and any other conduct that is prohibited by or under the Act;
 - advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
- 3.2. Our academy is committed to supporting the above statements and we expect hirers of the academy to share in this commitment. Unlawful discrimination and harassment of any member of the academy community is expressly prohibited.

²Statutory guidance on the Prevent duty, which explains schools' duties under the Counter-Terrorism and Security Act 2015: <https://www.gov.uk/government/publications/prevent-duty-guidance>

4. Facilities available for hire and prices

- 4.1. E-ACT academies are at liberty to decide which parts of their premises are available for hire ('the Facilities') and what prices are set. The expectation is that academies will charge in line with local market rate and that a fair booking system is in place which gives opportunity to all groups. All final letting costs for any category of hirer and type of booking must reflect the cost incurred to the academy.
- 4.2. E-ACT academies may have a discounted pricing structure for local community groups.
- 4.3. Application for this is to be made by the local group (see Appendix A Application Form) and each case will be considered by the academy on its individual merit.
- 4.4. In circumstances where individuals wish to hire the Facilities (e.g., for a birthday party or similar), each application will be considered by the Regional Facilities Manager along with the Regional/Academy Premises Manager or Community Sports Manager (RFM/CSM). Such hires would need to be supervised by at least one member of E-ACT staff unless the hirer has Trusted Status. To confer Trusted Status to a hirer the RFM/CSM must put a case in writing to the Director of Academies Finance who must authorise the granting of Trusted Status. Where a hirer has been granted Trusted Status, this must be reviewed and re-authorised on an annual basis. General after school clubs within school hours and arranged directly by the school will be led by the Headteacher who carry out any relevant risk assessments with the site team and make arrangements for finance to issue/process invoices.
- 4.5. Academies and regions must have a clear audit trail and a robust method of billing, thus ensuring cash, cheques, and electronic bank payments are handled appropriately and internal audit can, if required, review any booking from initial agreement, through to use of the facilities and income recorded correctly in the accounts system. Regions must also ensure the correct and accurate recording of VAT is applied.

5. Terms and Conditions of Use

- 5.1. The terms and conditions are the minimum expected between an E-ACT academy and a hirer(s). These need to be agreed and signed by both parties (see the declaration required in Appendix A).
- 5.2. These terms and conditions, together with the Application Form to hire the facilities, shall constitute the contract between E-ACT Academy and the hirer(s).

6. Application

- 6.1. Applications for hire must be made on an Application and Declaration Form (also known as a Booking Form). The Application and Declaration Form will form the basis of the license to use EACT facilities and an example form is provided in Appendix A. Application and Declaration Forms may be tailored to suit individual academy requirements (e.g. the use of a tailored form for the hire of swimming facilities); however, tailored forms must still include the core information and

declarations to ensure compliance with the Lettings Policy, and the tailored format must be authorized by the Education Directors prior to adoption by the academy.

- 6.2. If an organisation is hiring the facilities both the organisation itself and its members are jointly and severally liable under this agreement.
- 6.3. The hirer must ensure that everybody making use of the facilities complies with the conditions of use. This agreement is personal to the hirer and may not be assigned to any third party.
- 6.4. The number of persons using the facilities shall not exceed the number advised by the hirer and authorised by the academy.

7. Cancellation

- 7.1. There will be at least two weeks' notice, in writing to the academy, for any cancellation of a booking made by a hirer. Cancellations made after this date will be charged at half the booking fee, or full fee if within one week.
- 7.2 The cancellation policy applicable to the hire must be communicated in writing to the hirer prior to the hire.
- 7.2 3 The academy reserves the right to cancel any booking at any time in the event of the academy requiring any of the facilities for academy and education purposes or for any other reason which is considered necessary by the academy. Please note that this may be at short notice but as much notice as possible will be given.
- 7.4 The academy reserves the right to cancel any booking from a hirer that has fallen into arrears with payment for previous hires. See also clause 8.2

8. Payment

- 8.1. New hirers must pay the first hire fee in full upon signing and submitting the Application Form. 'Turn up and play' and 'One-off event' (e.g., Birthday Party) hires must always be paid in advance. Payment terms for block bookings can be set by individual academies to allow reasonable terms to be agreed with recurring hirers; however, payment must always be required in advance if a specific risk of payment default by a hirer is identified (e.g. history of payment outside of agreed terms) and the maximum payment terms that can be given are 30 days from the end of the month of the hire. At the Education Directors discretion, a security deposit of 50% made be used as an alternative to paying upfront, in the event that paying upfront proves problematic.
- 8.2 Where a hirer is given credit payment terms these must be strictly adhered to. If a hirer exceeds payment terms, then future hire bookings must be put on hold immediately and can be cancelled.

9. Indemnity and Insurance

- 9.1. The hirer shall be responsible for all damage caused and shall indemnify the academy against all loss, damage, and expense unless due to the negligence of the academy and any such damage shall be reported immediately to the academy.
- 9.2. Any damage caused to the facilities (or elsewhere in the academy) shall be compensated to an extent considered reasonable at the discretion of the academy, within seven days of a written demand.
- 9.3. The hirer shall indemnify the academy against all and any expenses, liability, loss, claim, and proceedings arising in respect of personal injury to or death of any person or damage to any property arising directly or indirectly from the use of the facilities unless due to the academy's negligence.
- 9.4. The hirer shall obtain insurance against legal liabilities to third parties (including the academy) with a limit of indemnity of at least £5 million for any one incident. The Certificate of Insurance must be attached to the Application Form.
- 9.5. The provision of insurance documentation would not apply to individuals wishing to hire. A deposit would be required, and this amount should be agreed with the Regional Facilities Manager (RFM) (who in term must agree with the Finance Lead in advance of the application for hire being approved. See 4.4 above for the approval process for individuals wishing to hire.

10. The Premises

- 10.1. Access is restricted to the facilities and any toilets and access shall only take place during the designated time and for the permitted purpose. The Application Form in Appendix A will confirm the facilities that can be accessed.
- 10.2. No open flames are allowed. Smoking or vaping is not permitted anywhere on the site.
- 10.3. The hire of the Facilities does not include the use of any equipment, including PE, except where specifically agreed between the parties; such equipment will be detailed in the Application Form and may be subject to further fees; kitchens and catering equipment shall not be used unless approved by the academy subject to any conditions that may be imposed.

11. Performing Rights and Licenses

- 11.1. No copyright works shall be performed in the facilities without the license of the copyright owner and the hirer shall indemnify the academy against any penalty or sanction for any copyright infringement that may occur.
- 11.2. The hirer shall not use the facilities for any purpose or activity for which a license or permission is necessary, e.g., preparation and sale of food, unless such a license has been obtained along with prior written permission from the academy.
- 11.3. The facilities shall not be used for the sale or display of goods or services or for any public entertainment unless agreed with the academy.

11.4. No alcoholic drinks shall be brought onto academy premises except where the Headteacher agrees otherwise and where a license has been obtained.

11.5. No film or video shall be shown or taken in the facilities without the academy's prior consent.

12. Health and Safety

12.1. The hirer is responsible for the health and safety of everybody using the Facilities (including first aid) and must make itself aware of the fire precautions and procedures in existence.

12.2. Electrical apparatus shall not be brought onto the facilities without the academy's consent, and all electrical equipment must have an 'in date' PAT test.

12.3. Animals, other than guide dogs, are not permitted in the Facilities without the written prior consent of the academy

12.4. The hirer will leave the facilities in a clean and orderly state.

12.5. The disposal of any refuse arising from the use of the Facilities is the responsibility of the hirer.

12.6. All clubs hiring the facilities must have staff who have appropriate coaching certificates and are checked with the Disclosure and Barring Service (DBS) if working with children under 18 or vulnerable adults, even if this is supervised.

12.7. In relation to activities for children, the hirer must ensure that there are sufficient adults present to be in full control of the children throughout the whole period during which they are on the academy site.

12.8. All clubs/organisations hiring the facilities must have the following policies in place:

- Health and Safety
- Quality Assurance
- Safeguarding and Child Protection (if working with children).

13. Preservation of Order

13.1. The hirer shall not cause nuisance or annoyance to the occupiers of any neighboring premises.

13.2. The academy does not accept any responsibility for any articles of property left by the hirer, their guests, agents, or any member of the public in the facilities during the period of the hire. No equipment may be stored in the facilities.

13.3. The hirer must provide details of a "Nominated Responsible Officer" who must be present on site at all times of the agreed hire period. This person will be

responsible for ensuring that the terms and conditions of use are adhered to whilst in the facilities and will also be the point of contact between the persons using the facilities and our E-ACT staff on site.
